## **EU Data Privacy Policy**

By applying as a participant of dynaMENT you acknowledge that dynaMENT stores and processes your personal information for management purposes. The collected data includes personal information (address and contact information, date of birth, nationality, photo, status) and personal data (goals, motivation, previous employment/occupations/research). Furthermore, you acknowledge that one of our mentors will receive your CV and list of publications to estimate your scientific achievements so far. These documents will be consigned anonymously to the mentor as your personal data is being subtracted in advance. The data is stored for the duration of the membership in the database and is available to the dynaMENT coordination. dynaMENT is a joint program by DESY and Universität Hamburg. DESY is in charge of the content related to the training program and events and the selection of applicants. Universität Hamburg is in charge of the application process, the selection of applicants, matching with the mentor and the support provided by the program coordination. According to §15 DSGVO you are entitled at any time to ask the dynaMENT coordination for comprehensive information on the data stored about your person. Pursuant to § 16-20 GDPR you can at any time ask the dynaMENT coordination for the correction, deletion and blocking of individual personal data at [mentoring@dynaMENT.de](mailto:mentoring@dynaMENT.de). The personal data is stored for the duration of the participation (2 years). The supervisory authority is the Hamburg Commissioner for Data Protection and Information of DESY and Universität Hamburg.

I hereby accept the data policy of Deutsches Elektronen Synchrotron (DESY) and Universität Hamburg.
