

Application Form 2020 (doctoral researchers)

Dear applicants,

We are pleased that you have decided to apply for dynaMENT Mentoring for Women in Natural Sciences. This form is intended for **doctoral researchers**

Please complete and sign this form digitally (open it with Adobe Acrobat Reader). Please note that all personal information will be handled in the strictest confidence. The information is voluntary. Feel free to contact us should you require further information or have any questions.

Submit this form together with the following documents:

- curriculum vitae
- letter of motivation
- EU Data Privacy Policy declaration of consent (site 8)

Please send us all documents by post. You can also send us your application by email, but we do not offer an encrypted procedure. Please do not formulate your application as text within the body of an Email.

Thank you very much.

Best regards,

Julia Panzer
Project Management and Program Coordination

1. Personal Data

EU Data Privacy Policy

By applying as a participant of dynaMENT you acknowledge that dynaMENT stores your personal information for management purposes. The collected data includes personal information (address and contact information, date of birth, nationality, photo, status), personal data (goals, motivation, previous employment/occupations/research). The data is stored for the duration of the membership in the database and is available to the dynaMENT coordination. dynaMENT is a joint program by DESY and Universität Hamburg . DESY is in charge of the content related to the training program and events and the selection of applicants. Universität Hamburg is in charge of the application process, the selection of applicants, matching with the mentor and the support provided by the program coordination. According to §15 DSGVO you are entitled at any time to ask the dynaMENT coordination for comprehensive information on the data stored about your person. Pursuant to § 16-20 GDPR you can at any time ask the dynaMENT coordination for the correction, deletion and blocking of individual personal data at mentoring@dynaMENT.de. The personal data is stored for the duration of the participation (1 year). The supervisory authority is the Hamburg Commissioner for Data Protection and Information of DESY and Universität Hamburg.

I hereby accept the data policy of Deutsches Elektronen Synchrotron (DESY) and Universität Hamburg.

Signature:

Declaration of Consent

I consent for the information I provide to be used and saved electronically as necessary for the preparation of a preliminary meeting as part of the Mentoring Program as well as for further processes as appropriate. With my signature I confirm the correctness of the information I have provided.

Place, date:
